Request for Extension of Time to File Opposition

The Procter & Gamble Company through its undersigned counsel hereby requests under 37 CFR §2.102 that the time for filing an opposition to the above-identified application be extended for a period of sixty (60) days.

Potential opposer needs additional time to obtain a copy of the file history for the application, to determine whether it will be damaged by a registration, to meet with management, and, if necessary, to prepare and file an opposition. This extension request is not made for the purpose of mere delay.

This request is being submitted in triplicate.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
